## Beginner Trombones – Selection Guide

Eastman      Jupiter      Schagerl      Yamaha

**Price Range for Beginner Trombones \$895 - \$1699**

All our beginner trombones include a mouthpiece and sturdy, good quality case. They all have slide-locks, water-keys with cork and fast and freely moving slides. All come with solid warranties.

We encourage students to play all instruments in your preferred budget. Although a brand may be perfect for one student, it is very possible that your child may be better suited to another. When play testing it becomes very clear which is the best choice for each student. We only stock high quality brands so there is no “wrong” choice.

*Our customers and teachers find that the best way to select instruments is to play test several to compare.*

**Eastman ETB324** – Shires design at a student price. This is a welcome addition to our range. A handspun brass bell and hand-matched slides help create the great sound of this instrument. Be sure to play test this one as it often wins the race! **Rents for \$10.90 per week.**

**Jupiter JTB700** – Jupiter has been regarded as a solid choice of student trombones for many years and their trombone is especially well regarded. The hand-lapped inner slide helps produce a centred and rich tone. Don't miss trying this one. Also available with an ergonomic grip for small hands. **Rents for \$15.50 per week.**

**Schagerl 355** –Every aspect of the instrument has been designed and scrutinised for quality and with the needs of the developing student in mind. The .509” bore provides a even blow and balanced response, while the 8” bell produces a rich, broad tone. The chrome plated, nickel silver inner slide ensures fast, smooth slide action. The Schagerl 355 is the perfect first vehicle for any trombonist’s musical journey.  
**Rents for \$16.65 per week.**

**Yamaha YSL154** – Always popular, the Yamaha 154 has the characteristic free blowing open response you can expect from Yamaha student instruments. **Rents for \$16.20 per week.**

**All of these models are in stock.**

All instruments may be purchased using our three part payment option or hired in the first instance purchasing later and receiving the rent back towards the final price.

We can usually offer ex-rental instruments if you prefer to buy second hand. These are all near new and have had a full inspection/adjustment before offering them for sale.
